# **1992 GOVERNOR'S HOME TOWN AWARDS PROGRAM**

In many Illinois communities, citizens have been organizing to contribute to their town's economic progress and quality of life. By taking the initiative on a project, mobilizing volunteers and raising funds, they have successfully addressed local needs in a time of reduced public resources. These volunteer projects often have the collective involvement of many such as local governments, business and industry, private, civic and community based organizations and individuals that donate time, materials, funds and expertise.

## **WHY HOME TOWN AWARDS?**

The Governor's Home Town Awards Program gives formal recognition to outstanding community volunteer projects. This program is administered by the Illinois Department of Commerce and Community Affairs in close cooperation with the Lieutenant Governor's Office of Volunteer Services and the Illinois Department on Aging.

## **HOW CAN I SUBMIT A PROJECT?**

Very simply. Contact the Illinois Department of Commerce and Community Affairs for an application. Use the attached application request card. The application can be submitted by a variety of community representatives such as a local government, a community organization, a local chamber of commerce, a community action agency, an area agency on aging, a local job training agency, etc.

Once the department receives the completed application, the projects will be divided into

population categories. Impartial teams of judges will then evaluate the projects.

The Governor's Home Town Awards Banquet held in June will recognize the winners in each population category, along with the grand prize Governor's Cup winner.

All Home Town Awards entry applications must be completed and sent to the Illinois Department of Commerce and Community Affairs postmarked no later than April 17, 1992.

## WHAT ARE THE AWARD CATEGORIES?

Home Town Awards will be given in four categories:

- GENERAL CATEGORY** – volunteer projects that have made outstanding contributions to the community's overall improvement and quality of life.
- SPECIAL CATEGORY (ECONOMIC DEVELOPMENT)** – community economic development projects that have used volunteers.
- SPECIAL CATEGORY (YOUTH INVOLVEMENT)** – community projects that have been selected, planned and conducted by the community's youth.
- SPECIAL CATEGORY (SENIOR CITIZEN INVOLVEMENT)** – community projects that have been selected, planned and conducted by senior citizens.
